From "See Montanny on your fanny" with "That's Jake" in 1992 to the 2010 Moose Tour, it's been nearly 20 years of great adventures for the Orlando Ski Club in Big Sky. The next trip, The 2011 Moose Tour Extraordinaire, will combine the best of ALL those trips and promises to be legendary. If you've ever been on an Orlando Ski Club trip to Big Sky you have probably already signed up for 2011. If you haven't been, now's the time. Big Sky has a total of 3,600 expansive acres, 4,350 jaw-dropping vertical feet, over 150 named trails, 400 inches of annual snowfall and lots of elbow room. Lift lines are basically non-existent here. And now with the option of the Lone Peak Pass, allowing you to ski Big Sky and its next door neighbor Moonlight Basin, the combined total of skiable terrain is 5,300 acres! This is the kind of mountain that skiers and snowboarders dream about. Join the Orlando Ski Club on our annual trip to Big Sky - one of our all time favorite destinations.

LODGING: The Huntley Lodge and Shoshone Condominiums offer lift-side convenience with heated swimming pool, hot tub, sauna, movie theatre, game room, restaurant, Chet's Bar and shops all under one roof.
