Nestled along the sweeping peaks of Colorado's Ten Mile Range, Breckenridge unites the history of the West with some of the best skiing and snowboarding around. Experience over 2,300 acres of riding on four inter-connected mountains, 30 lifts including two high speed 6 passenger SuperChairs and seven high speed quads, and terrain for every ability level. Eclectic shops with Victorian storefronts line Main Street, Colorado's largest historic district. Nightlife is just as exciting as the skiing with a great variety of brewpubs, taverns and fine dining. And the dress code is as laid back as the Breckenridge attitude. The town and resort offers a wide range of activities in Breckenridge!
