**Vail** – The name says it all: Skiing, shopping, dining, entertainment! Vail Mountain, at 5,289 acres, is the largest single mountain ski resort in the United States, featuring seven bowls stretching seven miles wide! Most of the mountain is wide open terrain with trails of all types, from cruising runs off of most Front Side and Blue Sky Basin lifts; to the wide open Back Bowls, glades, chutes, and moguls in the Northwoods area; cornices in Blue Sky Basin; and much more. Vail has a summit elevation of 11,510 with a vertical rise of 3,450 with 193 total trails (18% beginner, 29% intermediate, 53% advanced/expert). Vail also boasts 4 terrain parks, average snow fall of 346" with 32 lifts and 300 days of sunshine! The Vail Village is modeled after a Bavarian Village with pedestrian streets and rugged mountain backdrops, with convenient shuttle services running continuously. Vail is a great destination for skiers and non-skiers alike!

**LODGING:** Vail Spa, 2 bedroom/2 bath condos, are invitingly spacious deluxe accommodations located 200 yards from the Eagle Bahn Gondola in Lionshead. Vail Spa guests enjoy indoor and outdoor pools plus hot tubs, an exercise and weight room, steam and dry saunas, and massage therapy.
